

HellermannTyton

Cable management for professionals

Industrial-grade products for DIY

MADE FOR REAL 

Industrial-grade cable management products for DIY

Professionals around the world know our reputation for quality cable management products. HellermannTyton is a proven industrial brand. With a direct presence in 39 countries, we provide high-quality products to install, fasten, connect, insulate, protect and identify cables and wires. Furthermore, our products are tested to meet high industrial standards. They have certifications for use in the most demanding environments.

Now your customers can benefit from the products that industry professionals use.

Sales opportunity

For your customer, this is a unique opportunity: to buy high-quality, industrial-grade products currently not found in most DIY stores. For your DIY store business, that means a product offering that sets you apart from your competition.

Made in the EU

Benefit from products made mostly in the European Union, supported by first-class service and customer support.

We operate 18 world-class manufacturing facilities and develop products in 13 countries.

Availability

Like you, we appreciate being close to our customers so that our chosen DIY product portfolio has stock availability and short delivery times within the EU.

Customised solutions

We take pride in being responsive to markets by customising our range of products to meet individual requirements. This allows you to give DIY customers the professional-level cable management solutions they want, and in the way they need them.

Value

We offer quality seeking customers value for money industrial products. Our quality results in loyal, satisfied customers for us both, whilst generating new opportunities to increase revenue and profit for your stores.

Online channel support

Furthermore, you benefit from our promotional advertising and resources for websites. These include images, video clips and comprehensive product information.

Would you like to find out more? Don't hesitate to talk to us and take the next step with a unique range of industrial-grade cable management products that are ready for DIY.

Releasable cable tie: LR55

Practical cable ties that can be released and reused. The serration is on the outside of the tie, which minimises the risk of damage to the bundle elements. Ideal for temporary identification of items. LR55 in green is widely used in gardening as well.

Features and benefits

- Can be released with one finger
- Serration on the outside
- Fully reusable
- Supplied in a bag with Euro slot

www.hellermannityton.com/LR55-diy22

TYPE	Width (W)	Length (L)	Bundle Ø max.		Material	Colour	Pack Cont.	Article-No.
LR55R	4.7	195.0	50.0	245	PA66	Blue (BU)	25 pcs.	115-00006
	4.7	195.0	50.0	245	PA66	Green (GN)	25 pcs.	115-00005
	4.7	195.0	50.0	245	PA66	Red (RD)	25 pcs.	115-00003
	4.8	196.0	50.0	245	PA66	Natural (NA)	25 pcs.	115-00008
	4.8	196.0	50.0	245	PA66HS	Black (BK)	25 pcs.	115-00002

All dimensions in mm. Subject to technical changes.

Reusable strap tie: SOFTFIX

Elastic and flexible cable ties with a smooth edge. Good against vibration and kind on the bundle. The double-slotted head design allows for bundling with two loops. Perfect for bundling of network cables or other sensitive objects.

Features and benefits

- Functions like a belt with integrated buckle
- Flexible even at sub-zero temperatures
- Releasable and reusable
- Supplied in a bag with Euro slot

www.hellermannityton.com/Softfix-diy22

TYPE	Width (W)	Length (L)	Bundle Ø max.		Material	Colour	Pack Cont.	Article-No.
SOFTFIX M	11.0	260.0	65.0	123	TPU	Black (BK)	8 pcs.	115-11270

All dimensions in mm. Subject to technical changes.

Cable Ties and Fixings

Strongest reusable tie | Reusable hook and loop tie

Releasable cable tie: SpeedyTie

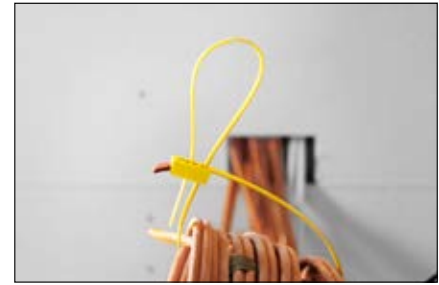

Heavy-duty reusable cable tie with quick-release mechanism. Can be used for parallel bundling and is ideal wherever an extra hand is required to hold items in place temporarily. Ideal for storage of ladders or pipes in the garage.

Features and benefits

- Long and strong cable tie
- Bears loads up to approx. 90 kg
- Easy to use when wearing gloves
- Supplied in a bag with Euro slot

www.hellermannntyton.com/SpeedyTie-diy22

TYPE	Width (W)	Length (L)	Bundle Ø max.		Material	Colour	Pack Cont.	Article-No.
SpeedyTie (RTT750HR)	13.0	752.0	210.0	888	PA66	Yellow (YE), Red (RD)	5 pcs.	115-00001

All dimensions in mm. Subject to technical changes.

Reusable strap tie: TEXTIE

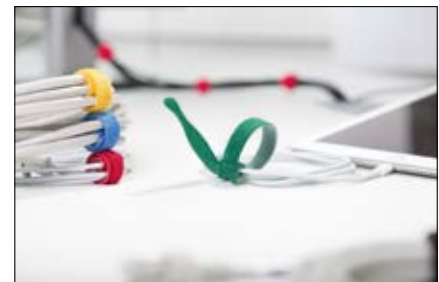

A quick and simple reusable tie made from soft synthetic hook and loop material. Ideal for all temporary bundling needs. TEXTIE can be attached to a charging cable and won't get loose when reuse it.

Features and benefits

- Reusable up to 400 times
- Ageing resistant
- Suitable for indoor and outdoor use
- Supplied in a bag with Euro slot

www.hellermannntyton.com/Textie-diy22

TYPE	Width (W)	Length (L)	Bundle Ø max.	Material Hook	Material Loop	Colour	Pack Cont.	Article-No.
TEXTIE M	12.5	200.0	60.0	Polypropylene (PP)	Polyamide 6.6 (PA66)	Blue (BU), Yellow (YE), Green (GN), Red (RD), Black (BK), White (WH)	6 pcs.	130-00080

All dimensions in mm. Subject to technical changes.

Self-adhesive tie mount: FlexTack

Unique cable tie mount that sticks on curved surfaces. Ideal for routing wiring wherever it is impractical to use screws. Ideal for cable routing on compressors or small water pumps.

Features and benefits

- Ridge design allows the mount to bend
- High-performance acrylic-based adhesive
- Sticks on grease-free metal, glass and painted surfaces
- Supplied in a bag with Euro slot

www.hellermannntyton.com/FlexTack-diy22

TYPE	Width (W)	Length (L)	Height (H)	Strap Width max. (G)	Material	Colour	Adhesive	Pack Cont.	Article-No.
FMB4APT-A	28.0	28.0	6.3	5.4	PA66HS	Black (BK)	mod. Acrylate	10 pcs.	151-03669

All dimensions in mm. Subject to technical changes.

Releasable and self-adhesive cable mount: FKH

For routing and organising multiple cables around office furniture. The soft wings protect cable insulation from damage. Very easy to close and re-open with one hand.

Features and benefits

- Can be released and re-used easily
- Multiple routing of different cables possible
- Comes with adhesive tape, but can be fixed with screws, too
- Supplied in a bag with a label

www.hellermannntyton.com/FKH-diy22

TYPE	Width (W)	Length (L)	Width (W2)	Hole Ø (FH)	Material	Colour	Adhesive	Pack Cont.	Article-No.

FKH50A	25.0	56.5	22.0	3,1	PA66HIR	Black (BK)	Acrylate	25 pcs.	151-00307

All dimensions in mm. Subject to technical changes.

Insulation

Heat Shrinkable Tubing, colourful and small assortment

ShrinKit 321 Universal Basic

Small assortment of pre-cut heat shrink tubing in different sizes. Ideal shrink ratio for a broad range of electrical insulation and marking applications. Good for small cable repairs with the right colour code.

Features and benefits

- Thin wall tubing with 3:1 shrink ratio
- 5 sizes ranging from 3.0 mm to 18.0 mm
- 177 black, transparent and multicoloured pieces
- Supplied in a reusable plastic divider case

Heat shrink tubing: HIS-PACK

General-purpose electrical insulation sleeving. Shrinks tight when heated (2:1 shrink ratio). Protects wires and connectors against corrosion and abrasion. Can be also used to shrink on objects to avoid abraision like metal bars or handles.

Features and benefits

- Thin wall heat shrink tubing
- Very flexible
- Minimum shrink temperature 100 °C
- Supplied on a reel in a handy dispenser carton

www.hellermanntyton.com/HISpack-diy22

TYPE	Supplied Ø D min.	Size (imperial)	Recov. Ø d max.	Wall (WT)	Reel Length	Colour	Article-No.

All dimensions in mm. Subject to technical changes.

Heat shrink tubing: HIS-3 BAG

Multi-purpose electrical insulation sleeving in pre-cut pieces. Shrinks tight when heated (3:1 shrink ratio). Protects wires and connectors against corrosion and abrasion. Helps to overcome the different diameters of connectors and cables for good strain relief, like white goods or small electric equipment.

Features and benefits

- Thin wall heat shrink tubing
- Flexible
- Minimum shrink temperature 100 °C
- Supplied in pre-cut lengths in a bag with Euro slot

www.hellermanntyton.com/HIS3bag-diy22

TYPE	Supplied Ø D min.	Recov. Ø d max.	Wall (WT)	Length (L)	Colour	Pack Cont.	Article-No.

All dimensions in mm. Subject to technical changes.

Cable Protection Systems

Protective tubing and spiral binding, for office equipment or home entertainment devices

Cable cover: Helawrap HWPP

Time-saving cable organiser and protector. Easy to slide onto cables with the supplied applicator tool. The design allows for branching out at any point. Perfect for cable management in the home office.

Features and benefits

- Cable cover made of polypropylene
- Cables can be branched out as necessary
- Fully reusable
- Supplied in a bag with Euro slot

www.hellermannntyton.com/Helawrap-diy22

TYPE	Bundle Ø max.	Colour	Length (L)	Article-No.

Cable sleeve: Helagaine Twist-In

Versatile sleeve for bundling cables and wires. Ideal abrasion protection that can be removed and reused. The self-closing design makes application quick and easy without the need for tools. Fabric material allows use at home as well, to bundle HDMI cables or other for Media and Hifi cable management.

Features and benefits

- Self-closing sleeve made of polyester
- Protects against abrasion
- Easy to apply, remove and reuse
- Supplied in a bag with Euro slot

www.hellermannntyton.com/TwistIn-diy22

TYPE	Bundle Ø min.	Bundle Ø max.	Colour	Reel Length	Article-No.

Electrical Installation

Electrical and technical tapes, for low temperatures

Electrical tape: HelaTape Flex 1000+

High-quality, all-weather vinyl electrical tape. For insulating, protecting and colour-coding wiring and cables up to 1 kV. Best for use under cold conditions and winter season.

Features and benefits

- Excellent outdoor performance
- Sticks reliably even in damp conditions
- Remains flexible at low temperatures
- Supplied in a reusable plastic container

www.hellermannityton.com/Flex1000-diy22

TYPE	Thickness (T)	Width (W)	Length (L)	Colour	Article-No.
HTAPE-FLEX1000+ 19x20	0.18	19.0	20.0 m	Black (BK)	710-10602

All dimensions in mm. Subject to technical changes.

Wire connector: HelaCon Plus Mini

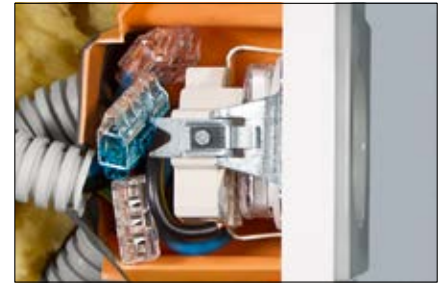

Safe and simple electrical installation. Push-in wire connector with a space-saving design. Suitable for solid and stranded wires of different diameters. Provides secure power distribution in cable joint boxes and for retrofit like electric blinds.

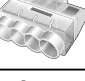

Features and benefits

- Push-in, tool-free application
- Each size coloured differently
- Integrated voltage test port
- Supplied in a blister pack with Euro slot

www.hellermannityton.com/HelaConplusmini-diy22

All dimensions in mm. Subject to technical changes.

Wire connector: HelaCon Lux

Quick and easy overhead electrical installation. For connecting solid wire with flexible stranded wire. Ideal for lights or built-in household devices like blinds and fans.

Features and benefits

- Tool-free, no screwdriver required
- Suitable for solid and stranded wires
- Wire range 0.5/0.75 mm² - 2.5 mm²
- Supplied in a blister pack with Euro slot

www.hellermannityton.com/HelaConlux-diy22

All dimensions in mm. Subject to technical changes.

Electrical Installation

Gel technology, watertight retrofitting

Electrical insulating gel: Religel Clear

Extra protection for electronics. A non-toxic, 2 component soft silicone gel. Ideal for encapsulating and protecting components from water damage. Ideal for cable joint boxes.

Features and benefits

- 1:1 mixing ratio
- Crystal clear after curing
- Elastic and vibration-absorbing
- Supplied in plastic bottles in a set with measuring cup

www.hellermannntyton.com/Religelclear-diy22

TYPE	Pack Cont.	Article-No.
Religel Clear 500	500 ml	435-00757

Subject to technical changes.

Electrical insulating gel: Religel Plus

Safe sealing of junction boxes. A non-toxic, 2 component soft silicone gel with excellent insulation properties. Ideal for low-voltage outdoor cable connections in cable joint boxes.

Features and benefits

- 1:1 mixing ratio
- Transparent green after curing
- Elastic and vibration-absorbing
- Supplied in plastic bottles in a set with measuring cup

www.hellermannntyton.com/Religelplus-diy22

TYPE	Pack Cont.	Article-No.
Religel Plus 500	500 ml	435-00756

Subject to technical changes.

Electrical insulating gel: Pressgel

Specialised insulating gel for overhead electrical installation. A non-toxic, non-dripping 1 component silicone gel for additional protection from moisture and insects.

Features and benefits

- Ready to use transparent gel
- Extremely sticky and non-dripping
- Self-healing and removable
- Supplied in a resealable cartridge

www.hellermannntyton.com/Pressgel-diy22

TYPE	Pack Cont.	Article-No.
Pressgel	310 ml	435-00838

Subject to technical changes.

ID cable ties: IT Ties

Simple bundling and identification of cables in a single step. These nylon cable ties are designed with an integrated plate that can be marked with a permanent ink pen or printable label. Set includes ties and pen.

Features and benefits

- Cable tie with integrated marker plate
- Classic inside-serrated tie design
- Ergonomic tail for easy installation
- Supplied in a bag with Euro slot

www.hellermannntyton.com/ITties-diy22

TYPE	Bundle Ø min.	Bundle Ø max.	Width (W)	Height (H)	Length (L)	Width (W2)		Pack Cont.	Colour	Article-No.

All dimensions in mm. Subject to technical changes.

Application Tooling

Application tooling for cable ties, no more sharp edges, flush cut

Cable tie tool: MK10-SB

Robust, heavy-duty hand tool for tensioning and cutting plastic cable ties flush behind the head.

Features and benefits

- For nylon ties up to 9.5 mm strap width
- Suitable for ties with different head styles
- Made from steel
- Supplied in a blister

www.hellermannntyton.com/MK10SB-diy22

TYPE	Strap Width max.	Strap Thickness max.	Weight	Article-No.
MK10-SB	9.5	2.5	0.372 kg	110-10001

All dimensions in mm. Subject to technical changes.

Cable tie tool: MK20/MK21

Basic and lightweight hand tool for tensioning and cutting of plastic cable ties for two different max. cable tie sizes.

Features and benefits

- For nylon ties up to 4.8 mm/7.6 mm strap width
- Squeeze to tension, then twist to cut
- Made of plastic
- Supplied in a carton with Euro slot

www.hellermannntyton.com/MK20_21-diy22

TYPE	Strap Width max.	Strap Thickness max.	Weight	Article-No.
MK20	4.8	1.5	0.05 kg	110-20006
MK21	7.6	2.5	0.04 kg	110-21016

All dimensions in mm. Subject to technical changes.
